

**The TCU Core Curriculum requirements apply to first-year students matriculating at TCU in Summer 2005 or later. Students who matriculated at TCU prior to Summer 2005 are subject to the University Curriculum Requirements (UCR). Transfer students matriculating at TCU prior Summer 2007 are also subject to the UCR.**

The educational experience offered by Texas Christian University reflects its membership in the worldwide academy of learning. The intellectual traditions of the University, honed by the scholarship and creativity of successive generations of faculty, are founded upon a rational and reflective examination of humanity and its natural and social environments. The essential elements of these traditions are captured in the TCU Core Curriculum (TCU CC) requirements.

The TCU Core Curriculum is designed to

- embody the liberal arts ethos of Texas Christian University;
- facilitate a focus on educational competencies, learning outcomes, and assessment;
- show sensitivity to the special needs of students in different colleges and degree programs; and
- provide intellectual challenges and opportunities for students and faculty.

The goals of the TCU Core Curriculum are described clearly in the Heritage, Philosophy and Goals section of the TCU Handbook for Faculty & Staff:

The University . . . regards as essential the advancement and communication of general knowledge which enables students to understand the past, to comprehend the natural and social order, to search for the good and the beautiful, and to integrate knowledge into significant wholes.

The TCU Core Curriculum has three components: the Essential Competencies Curriculum (12 hours plus 6 hours Writing Emphasis), the Human Experiences and Endeavors Curriculum (27 hours), and the Heritage, Mission, Vision, and Values Curriculum (18 hours). All courses in the TCU Core Curriculum may overlay with other requirements of the student’s degree program. The overlay feature provides the flexibility for core requirements to be satisfied in a range between 39 and 63 hours.

**Essential Competencies (12 hours plus 6 hours Writing Emphasis)**

Courses in this curriculum are designed to provide a base of skills to ensure students’ abilities to communicate clearly and think analytically. Their focus is effective writing, mathematical reasoning, and oral communication. The requirements and competencies are contained in the following table.

With the exception of Writing Emphasis, no more than two (2) courses in the EC curriculum may be taken from any one (1) area as defined by course prefix.

### **Human Experience and Endeavors (27 hours)**

TCU's Heritage is explored via the study of Religious Traditions, Historical Traditions, and Literary Traditions. Similarly, TCU's Mission, Vision, and Values are explored via courses that focus on Cultural Awareness, Global Awareness, and Citizenship and Social Values.

By design, these Heritage, Mission, Vision, and Values categories are not bound to any particular discipline or department. Through a range of disciplinary perspectives, these courses encourage pedagogical innovation and conversation across traditional disciplinary boundaries. As can be seen from the diagram, it is possible for students to take courses that will fulfill more than one of the core categories. For example, a Sociology course might simultaneously satisfy the outcomes of Social Sciences and Cultural Awareness. If so, the student taking such a course would receive three credit hours and would satisfy both a Social Sciences and Cultural Awareness requirement.

#### NOTES:

Students must complete at TCU

-- the Cultural Awareness, Global Awareness, and Citizenship and Social Values requirements of the HMOVV Curriculum;

-- 6 hours in Writing Emphasis courses.
